COURSE DESCRIPTION

This 1 credit course builds on the 1st Health Fitness Practicum (HPA 1169) and will provide HPA students the opportunity to take a greater leadership role and/or diversify their experiences in training, programming, group instruction, and supervision in the health-fitness field using principles and techniques related to the HPA curriculum in a real health and fitness setting.

The specific fitness settings for this experience are through the **HEALTH AND WELLNESS PROGRAM (Trees Hall-HPA Fitness Center and Bellefield Hall–Aerobics Studio) and its incentive programming entities (BE FIT PITT, Making the Move, etc.), UNIVERSITY CLUB FITNESS CENTER, and other ACADEMIC ACTIVITY COURSES (PEDC)**

EXPECTED OUTCOMES

After completion of this course, the student should have acquired:

- A. An introduction to working within a health-fitness professional setting
- B. Experience observing and assisting a professional at an assigned health-fitness site:
 - 1. Designing and implementing exercise or physical activity programs
 - 2. Instruction of new skills or classes
 - 3. Training or monitoring of a physical activity programs
 - 4. Managing a fitness facility and/or classes
 - 5. Engaging exercise participants professionally
- C. An opportunity to self-reflect on how active shadowing at a particular site has helped with decisions related to one’s professional path.
- D. An opportunity to engage in new skills to enhance the professional prospects and resume content.

B. **Students must complete the 2 hours per week experience for 13 weeks.**

- Students must remain at the site the entire semester (through APRIL 21, 2019).
- Hours cannot be completed ahead of time and students are required to be at the site each week.
- In the case that you have to miss, the student must make-up 2 hours during the same week.

C. **Duties and Experiences**

- Each student will have required duties and tasks that must be completed.
 - Other optional assignments are available to take part in depending on area of interest.
- Prior to working hands-on with the clients in the form of group instruction or other exercise programming, students will be required to complete a number of tasks to prepare for working with the members of a Fitness Center or Program.
 - This may include but not limited to writing lesson plans, researching evidence-based exercises, shadowing, etc. prior to experiences.
 - These will vary based on the area of interest/assigned experience.
- In order to gain a wide variety of experiences, the students will be required to assist Mentors in several different services offered at the facilities depending on assignment.
 - This may include but not be limited to setting up and breaking down facilities, facility/equipment maintenance, greeting, attendance and operations, etc.
 - These will vary based on the area of interest/assigned experience.
- Once experiences are assigned, Mentors will provide the students with an outline of the specific duties and tasks during that shift that must be completed.

COURSE DESIGN

- This course is designed to place students “out in the field;” thus, class is not scheduled on a weekly basis.
 - Students will spend 13 weeks at an experience site with a selected Mentor based on student interest and placement availability.
 - Students will meet with Dr. Rogers monthly to reflect and discuss experiences and prioritize professional development.
- CourseWeb will be utilized as a communication tool throughout the semester.
 - Weekly assignments will be due primarily through this web portal (see detailed schedule on last page of syllabus).

Department of Health and Physical Activity Grievance Procedure.

If a student feels that they have been treated unfairly by the instructor with regard to their grade or other aspects of their course participation there are a series of steps that should be taken in an attempt to resolve this matter. These include the following:

- 1.** The student should first inform the instructor of the course of the issue in an attempt to resolve this matter. If the course is taught by a Teaching Assistant, Graduate Student, or Part-Time instructor, their faculty supervisor should also be informed of this matter. The student should bring this issue to the attention of the instructor in a timely matter and should maintain a record of interactions that occurred with the instructor regarding the matter in question. The course instructor should take necessary steps to address the concern raised by the student in a timely matter and should maintain a record of the interactions that occurred with the student regarding this matter.
- 2.** If, after reasonable attempts to resolve the matter, the matter is not resolved in a manner that is deemed to be acceptable to the student, the student retains the right to file a grievance. This grievance is to be filed with the Department Chair in the form of a written document that can be submitted via email or campus mail. This document should include the following:
 - a.** Student's name
 - b.** Student contact information (email, address, telephone number)
 - c.** Information on the course for which the grievance applies (course title, course number, instructor name).
 - d.** A copy of the course syllabus that was provided to the student by the instructor
 - e.** Detailed description of the grievance and additional information the student feels is pertinent to this matter.

After receiving this information the Department Chair will inform the student if additional information is needed, as appropriate will discuss this matter with the student and the instructor, and will issue a decision in a timely manner.

- 3.** If the student is not willing to accept the decision of the Department Chair, the student will be informed that they can request an additional review of this matter through the Office of the Dean of the School of Education. If the student decides to pursue this, the student should contact the Associate Dean for Student Affairs & Certification in the School of Education at the University of Pittsburgh.
